Attendance

The school's attendance target is 96.1%.

We are working hard to make sure we achieve this during 2017/2018.

Please make sure your child attends school regularly and that they are punctual. If you have any issues or concerns regarding attendance please come into school to discuss these with Mrs Smith or Mrs Chaytor. We will always try to help and can offer support when needed.

Thank you

Welcome back

Welcome back to all our existing pupils and a very warm welcome to all our new pupils. We hope you all enjoyed the summer break and made the most of your time off. The first few weeks of school have passed very quickly and it is hard to believe we are at the end of our third week back. As always, the children have returned to school with a very positive attitude, settling quickly into their new classes and looking very smart in their school uniforms. As you will see from the details included in this letter there is a lot going on in school this term. We look forward to seeing many of you in school at the various events and activities
