

Pack 9 Guided Reading: "Winnie's New Computer"

These activities are planned to improve a child's comprehension/ understanding of a text.

Some children will need support when reading this text; if your child is finding any of these activities difficult - don't worry!

Day	Suggested Activity	
Monday	<p>Prediction: Read the title of the book, look at the illustrations and read the blurb (on the same page as the front cover).</p> <p>What do you think this story is going to be about? Write one or two sentences to explain what you think will happen.</p> <p>Challenge - Can you use evidence from the illustrations, title or blurb to support your prediction?</p>	
Tuesday	<p>Inference: Read up to page 3 together. Why do you think Wilbur the cat keeps on patting the mouse?</p> <p>Parents- inference can be tricky for children as they have to 'read between the lines' and cannot just retrieve the answer from the text.</p>	
Wednesday	<p>Prediction: Read up to page 10 together. What do you think Winnie will do next?</p> <p>Write a sentence to tell me what you think she will do next.</p>	
Thursday	<p>Inference/ Prediction: Read up to page 11 together. How do you think Wilbur is feeling?</p> <p>Write a sentence to tell me how you think Wilbur is feeling. Challenge - Can you tell me why?</p>	
Friday	<p>Prediction: Read up to page 14 together. What do you think happened next.</p> <p>Write a sentence to tell me what you think will happen next. Challenge - Can you tell me why?</p>
