Sunlight

Water

Easter

Spring

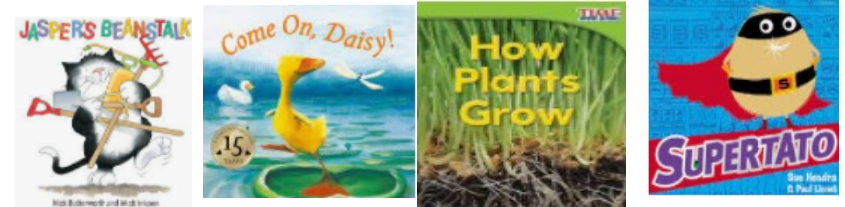

Mother's Day

What will I learn?

- What plants and flowers need to grow.
- The names of some spring baby animals
- The seasonal changes in the spring time .
- What a farm is and which animals live on a farm.
- What being healthy means and foods that are good to eat (healthy).
- What Mother's day is and how it is celebrated.
- What Easter is and how it is celebrated.

Stories we will read

Development Matters

- Understand key features of the lifecycle of a plant and an animal.
- Understand how to care for a living plant.
- Understand that some places are special to members of their community.
- Describe what they see, hear, feel when outside.
- Understand the seasonal changes outside.
- How and talk about healthy eating.
- Use talk and new vocabulary to explain how things work.
- Articulate ideas and thoughts in well-formed sentences using a range of connectives (because, but, etc).
