

Bears and Beasts

Words we will learn and use

Life cycle

Egg

Caterpillar

Chrysalis

Butterfly

Father's Day

Sun safety

What will I learn?

- What a life cycle is.
- What a life cycle of a butterfly is and the names of the process.
- Names of different types of mini beasts.
- Where different mini beasts live.
- What mini beasts can do, for example, spin webs, fly etc.
- How to keep myself safe in the sun and why it is important.
- What Father's Day is and who is important to me.
- About changes which will happen in my life, for example, transition to my next class.

Stories we will read

Minibeasts

wasp

bee

snail

dragonfly

ladybird

beetle

crane fly

spider

worm

woodlouse

slug

caterpillar

fly

ant

butterfly

Development Matters

- Understand the key features of the life cycle of an animal.
- Begin to understand the need to respect and care for the natural environment and all living things.
- Know and talk about the different factors that support their overall health and wellbeing.
- Explore the natural world around them.
- Describe what they see, hear and feel whilst outside.
- Recognise that people have different beliefs and celebrate special times in different ways.
- Use talk and new vocabulary to explain how things work.
- Articulate ideas and thoughts in well-formed sentences using a range of connectives (because, but, etc).
