Hamster

Sun

What will I learn?

- What Autumn is and what happens in Autumn time.
- To identify seasons by looking at evidence.
- The differences between night and day time.
- That as the Earth moves around the Sun it rotates on its axis, so we have day and night.
- What shadows are and how they are made.
- The names of some nocturnal animals.
- What Halloween is and how it is celebrated.
- What Harvest Festival is.
- About Hull and our local area.
- About Hull Fair and its traditions.

Seasons: Autumn/Winter

Harvest

Day/ Night

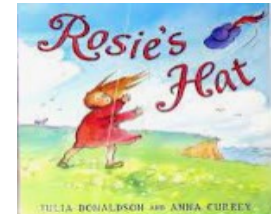

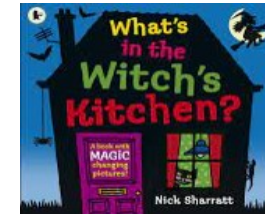

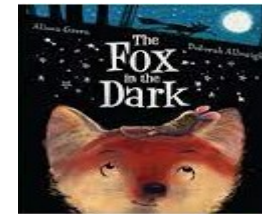

Moon

Home Learning

- Go on a nature walk to look for signs of autumn.
- Make shadows and talk about how they are made.
- Go on a walk around your local area and talk about what you can see.
- Play 'Fred' talk games, for example, 'Fred says touch you l-e-g.'
- Watch Read Write Inc. phonics lessons on Tapestry.
- Read traditional tales and talk about what has happened in the story.
- Play dice games, involving recognising the patterns on the dice, counting actions and objects to 5.
- Please read your child's reading book at least 4 times per week.

Books we will read

Development Matters

- Talk about members of their immediate family and community.
- Name and describe people who are familiar to them.
- Understand that some places are special to members of their community.
- Recognise some similarities and differences between life in this country and life in other countries.
- Understand the effect of changing seasons on the natural world around them.
- Explore the natural world around them.
- Draw information from a simple map.
